### Message from the Principal:

We are proud to have completed another successful year at Eufaula Elementary. Our Little Ironheads once again shined as bright as the stars. They performed great in the classroom, sport arenas, and throughout the community.

One of the major highlights at the elementary school this year has been that we were the recipients of the 21st Century After-School Grant. This allows our students to have after-school services such as tutoring, activities and a snack. A big thank you to our Beacon coordinator, Robin Montgomery and our elementary director, Vicky Caldwell, for helping our program run smoothly.

Our Special Olympic Athletes also had outstanding year. We earned 9 gold and 3 silver medals. Our Olympic athletes were: Shyann Burns, Sara Kingfisher, Rogue Camp, Jaden Bradford, Xavier Madewell, and Matthew Hawthorne. Our Future Stars are Trase Camp, Lee Brantley, Glenn Burns, Ayden Storms, Ryder Kingfisher, Kristin Hansen, Franklin Ham, and Lucas Combs.

Our students also participated in many activities, such as Red Ribbon Week, Smokehouse, Gilcrease Museum on Wheels, Science Fair, and the Unstoppable You Program, to increase their community and academic participation. Our school also raised over \$2500 in a penny war competition for St. Jude's.

In our athletic programs, the Little Ironheads were very successful. We hosted our 1st Eufaula Elementary Basketball Tournament. Our second and fourth grade won the Little League Football Superbowl and the 3rd grade was the runner-up. The Fourth and Fifth grade basketball teams also won in several area tournaments this season. Also, once again Mrs. Flinn did a tremendous job with the Little and Mini Olympic programs. We are so appreciative of all the volunteers for these programs. The elementary PE program also participated in the Jump Rope for Heart program and met our goal for this year. Mrs. Newton's musical programs were a joy to watch this year too. Kindergarten through Fifth grades performed in individual performances throughout the school year. Parents, grandparents, family members and the community were delighted to watch. We are also very proud that we had 72 first - fifth grade students who read books throughout the school year and earned 100 Accelerated Reader points. They were rewarded with an extra field trip for their accomplishment.

With the completion of the 2017-2018 school year, our vision of insuring that our elementary students are "well-rounded" in all areas such as; academics, extra-curricular, and social development were achieved. We would like to thank you for all the family and community support throughout the school year. We also look forward to working with everyone to make the 2018-19 school year even more successful. GO HEADS!!!
